Inside, there's a spacious lounge, a separate lounge diner, and a well-appointed kitchen with a central island. Upstairs, there are three genuinely spacious double bedrooms which is unusual for a property of this age, with the main bedroom benefitting from its own en suite. About The Home

Welcome to Watergate! A lovely home with a fantastic feel from the moment you walk through the door, stunning field views to the front, and the added benefit of a double garage.

As we come inside, to the left is a fantastic-sized room, currently being used as a beauty room, but with the flexibility to make it whatever works best for you — perhaps a home office, snug, or additional lounge.

Moving through to the right, we have this fantastic lounge diner. It's a really generous space with great proportions, a cosy feature fireplace, and double doors opening straight out onto the patio, creating a lovely connection with the garden.

From here, we flow through into the rear porch and then into this fabulous kitchen breakfast room. The kitchen features a central island, with plenty of space for a large dining table or even a relaxed seating area — making this a real hub of the home. There's also the added bonus of a really handy pantry and separate utility area.

Upstairs, there are three fantastic-sized bedrooms. The main bedroom is particularly impressive, with dimensions similar to the kitchen breakfast room downstairs, beautiful views across the garden, built-in wardrobes, and its own ensuite.

The remaining two bedrooms are both great-sized doubles, and I really love the landing space here too. It's a lovely generous area that could easily

become a fantastic little home office or study space. There's also a good-sized family bathroom.

And then we head outside... The rear garden offers a lovely combination of space and privacy, with a good-sized lawn, established trees and shrubs, and an extended patio — perfect for entertaining, enjoying a morning coffee, or simply relaxing in the sunshine.

There's also a wraparound element to the garden, a handy vegetable-growing area, a shed, and a really lovely summer house with its own decking area — the perfect spot to sit back and unwind.

All in all, Watergate is a fantastic home with great space, lovely gardens, beautiful views, and a really welcoming feel throughout. It's one I'd definitely recommend coming to see for yourself — you won't appreciate the flow and space quite the same way until you walk through the door!
