Shared Ownership Criteria

Who can apply?

You can apply to buy a Shared Ownership property if:

- you are at least 18 years old and a permanent UK resident

- You do not own (or part-own) a property at the time of completing on your purchase

- your household income before tax is £80,000 a year or less (£90,000 a year or less in London)

Affordability

Before you can buy a Shared Ownership home, we

make sure you can afford the cost of living in it.

In accordance with government guidelines, the total cost of your mortgage, rent and service charges must be no more than around 40-45% of your household income after tax.

However, everyone's financial situation is different, depending on your household income, financial commitments, the amount of deposit you have and the value of the home you want to buy.

Therefore, to make sure you can afford to live in your home, you will meet with an Independent Financial Adviser (IFA) who will look at your finances and help you decide what you can afford and confirms you meet our affordability conditions. Even if you have a mortgage approved, you can only go ahead if you meet these conditions.
